ABOUT ME

Enthusiastic **Software Developer** with hands-on experience in various backend technologies. Skilled in building scalable, secure applications and working in fast-paced environments. Passionate about learning and adapting to new technologies, with a strong focus on Java, Spring Boot, and other modern frameworks.

WORK EXPERIENCE

18/11/2018 – 06/06/2022 Tirane, Albania

Software developer Move Engineering EU

- Developed and maintained backend systems using **Java**, **Spring Boot**, and **Hibernate**.
- Integrated security layers with **Spring Security** and **Keycloak** for authentication and authorization.
- Worked with relational databases such as **Oracle** and **MySQL**, optimizing queries and ensuring data consistency.
- Built RESTful APIs to support mobile and web applications.
- Participated in designing microservices architecture to improve scalability and maintainability.
- Managed version control with **Git**, and deployed services using **Docker**.

06/06/2022 – CURRENT Tirana, Albania

Software developer Innovaway

- Designed REST APIs for core application functionality using **Spring Boot** and **RESTful Web Services**.
- Implemented security measures, including **Spring Security** and **OAuth2**, for safeguarding application data.
- Managed data persistence with **MySQL** and **PostgreSQL**, ensuring high availability and optimized query performance.
- Used **Hibernate** for object-relational mapping (ORM) and enhanced database communication.
- Employed **Git** for version control and collaboration on **GitLab** repositories.

20/03/2024 – CURRENT Tirane, Albania

Instructor JAVA Developer Tirana Center Of Technology

- Delivered training sessions on **Java**, **Spring Boot**, guiding students through practical projects.
- Provided mentorship on secure coding practices using **Spring Security**.
- Taught best practices in database management using **MySQL** and **Oracle**.
- Focused on real-world applications, preparing students to work in modern software development environments.

EDUCATION AND TRAINING

12/10/2014 – 20/07/2017 Tirane, Albania

Bachelor- Mathematics and Informatics Engineering University of Tirana ,Faculty of Natural Sciences

Address Tirane, Albania, 1001, Tirane, Albania

11/2017 – 07/2019 Tirane, Albania

Master- Mathematics and Informatics Engineering University of Tirana,Faculty of Natural Sciences

Address Tirane, Albania, 1001, Tirane, Albania

05/2018 – 06/2018 Tirane, Albania

● Introduction to IoT- certified by CISCO IER Academy

- Explain how IoT brings together operational technology and information technology systems
- Explain how business processes for evaluating and solving problems are being transformed
- Explain how things that are non-IP-enabled and IP-enabled can be connected to a network to communicate in the IoT
- Wxplain security concerns that must be considered when implementing IoT solutions

Address Tirane, Albania, 1001, Tirane, Albania

12/2017 – 01/2018 Tirane, Albania

● Introduction to Cybersecurity- certified by CISCO IER Academy

- Global implications of cyber threats
- Ways in which networks are vulnerable to attack
- Impact of Cyber-attacks on industries
- CISCO's approach to threat detection and defense
- Why cybersecurity is a growing profession
- Oppurtunities available for pursuing network security certifications

Address Tirane, Albania, 1001, Tirane, Albania

LANGUAGE SKILLS

MOTHER TONGUE(S): Albanian

Other language(s):

English

Listening C1

Spoken production C1

Reading C1

Spoken interaction C1

Writing C1

Italian

Listening A1

Spoken production A1

Reading A1

Spoken interaction A1

Writing A1

Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user

DIGITAL SKILLS

Websocket

PROGRAMMING LANGUAGES:

JAVA | C# | SQL | C++

FRAMEWORKS:

SPRING BOOT | Spring Cloud | Spring Security | Hibernate/JPA

DATABASES:

SQL/SQL Server | MySQL | Oracle | MongoDB | PostgreSQL

TOOLS & PLATFORMS:

Docker | Github/gitlab | Maven

API DEVELOPMENT:

Web services Microservices | Restful APIs

OTHERS:

Microprofile | IAM Keycloak

COMMUNICATION AND INTERPERSONAL SKILLS

● Communication and interpersonal skills

- **Problem-Solving:** Strong analytical skills to identify, analyze, and solve complex issues efficiently.
- **Collaboration:** Excellent communication and interpersonal skills, effective in both independent and team-oriented environments.
- **Adaptability:** Fast learner who enjoys working with new technologies and adapting to changing environments.
- **Attention to Detail:** Strong focus on code quality, performance, and security.
